Subject: Appreciation for the Donation of Eyeglasses

Dear Gerald Tanaka Khosa Foundation Team,

On behalf of Mbuya Dorcas Hospital, I would like to extend our deepest appreciation for your generous donation of eyeglasses. Your support comes at a time when many vulnerable members of our community face challenges accessing essential eye care, and this donation will go a long way in restoring hope and improving lives.

The eyeglasses you have provided will directly support our upcoming community eye clinic programme, where we aim to serve underprivileged individuals who cannot afford vision assessment or corrective lenses. Your contribution ensures that more people children, adults, and the elderly will receive the gift of clear sight and improved quality of life.

We are truly inspired by the mission and compassion of your foundation, and we are honoured to partner with you in uplifting our community. Please accept our heartfelt gratitude for your continued support.

Warm regards,
Dr T Gwande
Senior Medical Officer
Mbuya Dorcas Hospital
